

# EXACT GLOBE PROJECT

Grip on projects

## IN SHORT

### EXACT GLOBE PROJECT

Are you lacking a clear overview of the hours, revenues and planning of a project? Or are the incurred costs greater than planned? With **Exact Globe Project** you integrate your projects with your financial administration. This enables you to monitor hours worked by employees, provides an overview of costs and profits and allows you to quickly create invoices. And all that in a single system with your financial administration.

#### TOP 4 BENEFITS

1. Constant insight into project progress and monitoring of project hours
2. Insight into work in progress at any given moment
3. Single point for all project information
4. Determine project budgets easily

#### FUNCTIONS

- Insight into project progress plus return
- Prompt modifications on the basis of insights
- The right decisions for the optimal result
- The project functionality is available in Exact Globe.

# GRIP ON YOUR PROJECTS

EXACT GLOBE  
PROJECT

With **Exact Globe Project** you integrate your projects with your financial administration

## 1 CONSTANT INSIGHT INTO PROJECT PROGRESS AND MONITORING OF PROJECT HOURS

E-Project keeps you continually up-to-date with the progress of a project. After all, successful projects begin with good administration. With E-Project, you can easily compare the planning with actual costs and revenues, so you know exactly whether a project is going according to plan.

## 3 A SINGLE POINT FOR ALL PROJECT INFORMATION

Do you want to view multiple projects simultaneously? No problem. Request the total overview and see which projects have already been invoiced and paid. You can also determine how projects relate to one another and produce reports for them.

## 2 INSIGHT INTO WORK IN PROGRESS AT ANY GIVEN MOMENT

Thanks to standard work in progress methods, you can easily calculate and book work in progress directly into the financial administration any time. Results are visible in your general ledger straight away.

## 4 EASILY DETERMINE BUDGETS

The project functions are fully integrated and designed to be used with Exact Globe Budget. In addition to planning and realisation, you can easily determine the budget for optimal control of the project

### ADDITIONAL BENEFITS:

- Create invoice proposals easily
- Easy booking of items and hours on projects
- Accessible to everyone if you also work with Exact Synergy

# PERFECT MANAGEMENT SOLUTION

## EXACT GLOBE PROJECT

Take the right decisions for an optimal result with **Exact Globe Project**.

### INSIGHT INTO PROJECT PROGRESS PLUS RETURN

The overview and the useful management functions make Exact Globe Project the ideal management solution. With this module, you have constant oversight into project progress and returns.

### MAKE PROMPT ADJUSTMENTS BASED ON INSIGHTS

With the knowledge of project progress and returns, you can focus your supervision and adjust the planning where necessary.

### THE RIGHT DECISIONS FOR AN OPTIMAL RESULT

Good decisions are essential for optimal results. So give your projects a strong foundation and manage your projects with Exact Globe Project.

### THE PROJECT FUNCTIONALITY IS AVAILABLE IN EXACT GLOBE

You can purchase Exact Synergy and have your project administration in Synergy, but you always need E-Project in Exact Globe as the basis. If you decide to place your administration in Synergy, it's easily accessible to employees, online and via mobile apps. Employee hours are transparent, invoice-ready, and can easily be booked. This way, you integrate the use of projects in Globe and Synergy.
